Alexandria, VA 22313-1450

Sir:

In the Office Action dated December 30, 2005, the Examiner has identified the application as containing claims directed to distinct species.

The Examiner has required Applicants to elect a single disclosed species for prosecution on the merits. The Examiner believes claim 7 is generic.

In response to the Election of Species Requirement, Applicants elect the restenosis-causing condition of myocardial infarction, without traverse.

Applicant was also advised that a response to this requirement must include a listing of all claims readable on the elected species.

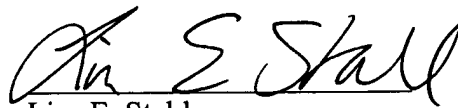

Applicants note that claims 7, 8, and 9 are readable on the elected species.
